

LBVCR EVENT SUPPORT PACKAGE

Our LBVCR Event Support package provides more than just transport, we include comprehensive mechanical support and secure storage to give you the best possible experience.

Package details:

- Car collection from Autohistoric workshops on the Friday prior to the event with secure overnight storage near Hawkhurst, Kent
- Delivery of the car to Euro Car Park, Bayswater Road, Hyde Park on the Saturday prior to the event at approximately 7.30am
- Mechanical support for Sunday Run provided by X3 teams of engineers spanning the entire route, including on route recovery to our workshops (in the unlikely event that it is required)
- Collection from Madeira Drive on Sunday evening followed by another night in secure storage.
- Cars return to Autohistoric workshops on Monday following run
- Option to include pre and/or post-event servicing and maintenance if requested

Spaces for transportation are limited, so it is advisable to book as early as possible.
